THIS MATTER comes before the Court on FedEx Ground Package System, Inc.'s Cross Designations and Objections to Plaintiff's Designation of Trial Testimony of Rene Jimenez, filed February 17, 2016 (Doc. 163). The Court held a hearing on February 19, 2016. Defendant FedEx Ground Package System, Inc. objects to some of Plaintiff Elia Leon's designations of Rene Jimenez' deposition testimony as trial testimony. The Court rules on FedEx Ground's objections as follows:

¹This Order disposes of FedEx Ground Package System, Inc.'s Cross Designations and Objections to Plaintiff's Designation of Trial Testimony of Rene Jimenez, filed February 17, 2016 (Doc. 163). The Court may, however, at a later date issue a Memorandum Opinion more fully detailing its rationale for this decision.

IT IS ORDERED that the objections in FedEx Ground Package System, Inc.'s Cross Designations and Objections to Plaintiff's Designation of Trial Testimony of Rene Jimenez, filed February 17, 2016 (Doc. 163), are overruled, as stated herein.
